

Sunday School Easter Quiz

This is a bit of a change from our usual multiple choice online quizzes, but if you have your Bible, there are references to help you find the answers if you can't remember them.

Sadly, it is also a bit different to our usual Easter quizzes at the church as we can't give you (chocolate) prizes if you get an answer right. We will just have to save that up for later!

All the questions relate to Easter. When you find the answers you can think about the part of the Easter account in the Bible that they took part in.

These days when we think about Easter we might mainly think about Easter eggs and chicks, Easter bunnies and lovely spring flowers.

But the Bible tells us that Easter is a reminder of the time that the Lord Jesus was arrested, crucified and then rose from the dead (was resurrected) on the third day. See how much you remember about the true story of Easter.

There are three levels of questions, getting harder as you go along. Easy questions score 1 point, medium questions score 3 points and hard questions score 5 points.

See how many of the answers you know without looking them up, but you won't lose points for looking them up in your Bible.
